

Hello! This cut file is given freely for your personal use by Specialty Materials.

The colors are just a suggestion and if you'd like to try different looks, the colors are labeled for an easy change!

This file was originally created in CorelDraw X7 and was based off a file found on Pixabay from user OpenClipart-Vectors (<https://pixabay.com/en/skull-day-of-the-dead-death-mexican-2028286/>).

Have fun and be sure to tag us using #lovewhatupress so we can see what you make with this!
